NAAC CYCLE IV – SELF STUDY REPORT

PART – I HINDI

DEPARTMENT PROFILE

The seed of Hindi Department of Sourashtra College was sown in the year 1967 and Mr.V.Tulsiram had been instrumental in laying the foundation. Later Dr.K.M.Chandramohan and V.R. Gopal Rou had nurtured the Department with their utmost dedication. Now Department is flourishing under the guidance of very efficient faculty. Hindi is widely acclaimed and now it has reached the status of International language of friendship next to English. Now multinational companies are dependent only on Hindi Language for marketing their products. The curriculum is designed to fulfill today's demand. Department is offering Part-I Hindi to all major students of U.G.

VISION

- Develop the ability to use the language effectively for the purpose of practical communication and to make students think and express ideas, sentiments, in the language.
- Familiarize with knowledge of origin and evolution of Hindi language and literature.
- To improve their reading and writing skill.
- To enhance their ability to communicate effectively and acquire the pronunciation of native speaker by means of spoken Hindi.
- To strengthen student's ability to analyze, interpret and evaluate all forms of literary expression.
- Enhance and develop the confidence level, ethics and moral values.
- Inculcate respect and pride towards nation.
- Relate issues in Hindi literature to society

MISSION

The Mission of this Course is to develop excellent proficiency in the language and also enhance students' ability to communicate effectively. Hindi is an official language of India. Hindi language is also called as a lingua-franca of India. In today's globalized world Hindi is a very essential language. Now people have realized the importance of Hindi and started learning it. Hindi language also has a very old and vast literature. It develops National integration. It also gives the opportunity to delve into culture of India. In the curriculum equal weight age is given for language & literature, So that students can pursue their higher studies in Hindi literature, Journalism and Mass Communication & Translation.

NAAC CYCLE IV – SELF STUDY REPORT

PART – I SANSKRIT

DEPARTMENT PROFILE

The Sanskrit Department was established in the year of 1981 and has been offering Part-I Sanskrit Language to I and II year UG students who opt for it. The Department imparts knowledge on Sanskrit also to the students who have not read Sanskrit at school level. Every Semester the Department conducts class on Spoken Sanskrit. Every year the students write Sanskrit exam conducted by Bharathiya Vidya Bhavan.

VISION

- Development of an approach to foster the idea of balance between 'the extremes' without the dominance of 'the one' over the other.
- To inculcate the ancient Indian tradition and culture through the process of understanding and learning the classical language -Sanskrit.

MISSION

To develop the skill of understanding the Sanskrit language right from the beginning and in due course to unravel the secrets of ancient Indian wisdom by understanding the literature which are almost written in Sanskrit Language.

NAAC CYCLE IV – SELF STUDY REPORT

BACHELOR OF BUSINESS ADMINISTRATION

DEPARTMENT PROFILE

The Department started offering UG Programme (BBA) since 1972 under Government Aided Stream. It launched MBA Programme in 1994 under Self-financing stream with the approval of AICTE. It has steadily developed into a Research Department offering M.Phil., in Management Studies since 2014. The Department has been recognized as Research Centre in Business Administration by the Madurai Kamaraj University in 2019 and offers Ph.D., (Business Administration). It has facilitated several students to emerge as successful entrepreneurs, efficient managers and independent professionals. Most of our students suit to the present industrial requirements. The curriculum is so designed to meet the requirements of the Corporate. The Department serves the student community with experienced faculty members and a very good infrastructure. So far the faculty members have completed one UGC Major Project and three Minor Projects. The Department has conducted State Level Seminar on **Services Marketing** and two **Entrepreneurship Development Programmes**.

SPECIAL FEATURES

- Entrepreneurial Skill Development Programmes
- Practical Exposure to students through Industrial visits
- Industry Institute interaction through Guest Lectures from Industries
- Periodical discussion of case studies
- Summer Internship at the end of fourth Semester
- Field study/ Project work at the end of fifth semester

VISION

Our Department vision is to become a '**Centre of Excellence**' with eminent Research, Entrepreneurship programmes and Industry- Institute Partnerships.

MISSION

Our Mission is to develop the students with moral values and commitment to the society having all required skills suitable to the ever changing business world.

NAAC CYCLE IV – SELF STUDY REPORT

BOTANY

DEPARTMENT PROFILE

The Department of Botany has a long and distinguished history of excellence characterized by competent faculty, who have made major contributions to Plant Science over the past 50 years. Prof. V. R. SATYA MOORTHY was instrumental to introduce the Biology subject in the college as a supportive course for P.U.C. in 1967. Prof. Dr. N.M.R. CHANDRAKANTHAN took initiatives to establish the Botany Department in 1978 from the Biology Department and rendered academic services to undergraduate students of Chemistry as an ancillary subject. He taught classes in Plant Science and as an acclaimed well-known plant taxonomist he also first documented the campus flora of the Sourashtra College. He eventually rose to the top as the Principal of the college in 2006 and served in the position until 2009.

The scope of Botany has widened in recent times with the applications of the knowledge of plants to many other related areas of science. The opportunities for a postgraduate in various courses have expanded and there are greater prospects in academics, research, industry, consultancy and entrepreneurship, both in government and private sectors – in India and abroad. Job opportunities are also increasing as research organizations, herbal products companies, farm management organizations; biotech and drug development firms always do require the services of botany students.

VISION

Our dream is to provide quality education that will enable the well-being of graduates in the betterment of the Nation through good services to the society, and to motivate students to acquire knowledge and skills besides instilling confidence in critical thinking in a global perspective with honesty, perseverance and compassion.

MISSION

Our mission is to impart true botanical knowledge and bestow life skills to be a better citizen of tomorrow through an enlightened management and committed, competent faculty.

The Department of Mathematics was established in the year 1975 with under graduate programme and upgraded as PG Department in the year 1986. The Department consists of 10 teaching staff. The Department has been producing exemplary results and university rank holders right from its inception. The Department is constantly concentrating on the overall development of students. So far forty-three batches of UG students and thirty-three batches of PG students have successfully finished their courses and professionally placed as Auditors, Income tax officers, Assistant commissioner of police, Lawyers, Project leaders, HR in various MNC. Many students have joined in prestigious institutions like M.I.T., I.I.T., C.M.I., M.K.U., Sourashtra College, etc., for their higher studies and have been well placed in various fields in India and abroad. The Department library consists of approximately 1500 books which is useful for lending purpose to students and staff. Department is equipped with 2 computers and one printer. We have well-furnished classrooms and a separate room with LCD Projector for conducting seminars. The Department motivates the students to take part in all the job oriented competitive examinations like UPSC., SSC., TNPSC., RRB., NET, SLET, Bank exams etc., The Department has separate library (Donors book bank) with more than 200 books related to job oriented competitive examinations donated by the Staff members of the Department and Alumni. The Department is providing RO water to all students which is sponsored by our Alumni.

VISION:

Aims to create an erudite, disciplined and well-rounded mathematician by imparting high quality subject knowledge and life values to excel both academically and professionally.

MISSION:

- To guide, teach mathematical knowledge and support the students towards mathematical excellence by embracing them into our group of mathematicians, share our ideas, grow in knowledge and thus improving their capabilities and apply all learned concepts to excel in all fields.
- To develop quantitative, computational, reasoning, problem solving skills and critical thinking for the upcoming mathematicians to model, formulate and solve real life applications.
- To encourage the students with strong foundational skills and abilities to pursue higher studies and research.

NAAC CYCLE IV – SELF STUDY REPORT

UNDERGRADUATE (UG) PROGRAMME (SELF – FINANCE)

B.Sc. BIOCHEMISTRY

DEPARTMENT PROFILE

Truly keeping in mind, the needs of the times, Sourashtra College Council introduced Biochemistry at Undergraduate level in the Year 1993. The B.Sc. Biochemistry Programme was started in the Year 1993 with Chemistry and Biology as Ancillary subjects and has produced a number of undergraduates who are well placed in various fields. So far, 26 batches of students have successfully finished their graduation. The department has a well-equipped library with books and journals of well-known authors and renowned publishing houses. The goal is to provide ample resources on the campus so that they can be supplemented with additional information other than their course work. The library is stocked with more than 1,500 books. The Department is committed to give extensive hands-on-experience with modern Instrumentation and Computation which will provide problem solving skills. The department also focuses on conducting guest lectures, conferences, seminars and workshops by eminent personalities from various fields to brainstorm on various issues and help to expand the student's perspective and knowledge of the working world. The department conducts Workshops to give hands-on training to the Student community from various Colleges. The Department has conducted annual intercollegiate meet every year to promote awareness and bringing out the hidden talent among the students.

VISION

To mould the students with good academic record in addition to ample technical skills through a three-pronged strategy: effective teaching, quality research, relevant community service and to develop them into well-rounded responsible and highly competent individuals in the global milieu.

MISSION

To serve the State and the Nation by educating students, advancing their scientific knowledge, and thereby catalyzing economic development.

NAAC CYCLE IV – SELF STUDY REPORT

B.Sc. MICROBIOLOGY

DEPARTMENT PROFILE:

The Under Graduate Microbiology course was started in the year 1994. Ever since its inception, the Department has been constantly concentrating to stay updated with the latest developments. The Department has well equipped laboratory and library to cater the requirements of the syllabi. 24 batches have successfully completed their graduation and many of them have been well placed in the various fields of Microbiology.

VISION:

- To train our students both in theory and practical in the field of Microbiology to succeed in their careers.

MISSION:

- To encourage the students to work towards innovations in the field of microbiology.
- To train our students to disseminate their knowledge and applications to solve societal challenges related to microbiology.
- To prepare students to improve their skills in all the areas of microbiology
- To train our students to meet the changing needs in the field of microbiology.

NAAC CYCLE IV – SELF STUDY REPORT

B.Com. COMPUTER APPLICATIONS

DEPARTMENT PROFILE

The Department of B.Com. was started in 1995, B.Com (CA) in 2000 & M.Com (CA) was started in 2003. Our department envisages the life time value of the students by providing excellence in education in the fields of Commerce and Computer Applications. Apart from theoretical studies, students have to undergo outside the campus to gain practical exposure on various areas like marketing, finance and information technology.

They also undertake a project based on their interest to gain knowledge in the related areas. There is a department library which is useful for lending books to the students. "THE HINDU" English News Papers are given to all the second year students to improve their Communication.

VISION

The Vision of the Department is to impart quality higher education in Commerce and related fields to the socio-economically weak students.

MISSION

- Empowering students with all the knowledge and guidance for the need to become worthy management professionals.
- Learning through doing.
- Enhancing their employability.
- Developing social consciousness among students.
- Developing their personality.

NAAC CYCLE IV – SELF STUDY REPORT

BACHELOR OF COMPUTER APPLICATIONS

DEPARTMENT PROFILE

The Bachelor of Computer Applications (BCA) was established in the year 2010 with Computer Applications Programme. Since then, the Department has been functioning successfully producing young Computer Science graduates every year, with well trained and experienced faculty members and supporting Staff. So far, the Department has produced more than 350 (7 batches) Computer Science graduates and they are all well placed in various industries in India & abroad. The Department has been producing excellent results over a period of 7 years. The Department has adequate infrastructure with a well equipped Computer Laboratory with LCD projectors, a well stacked Department Library, and well furnished class rooms.

VISION

- Apply a broad understanding of the fundamental theories, concepts, and applications of Computer Science in their career.
- Analyze a multifaceted computing problem and to apply principles of computing and other relevant disciplines to identify solutions and compare alternative solutions to computing problems.
- Apply Computer Science theory and software development fundamentals to produce computing-based solutions.
- To attain an ability to use current techniques, skills, and tools necessary for computing practice.
- To affiance in a wide range of careers and/or graduate studies in computer science or related fields with a zeal for lifelong learning.
- To communicate effectively, both orally and in writing and engaged in collaborative teamwork.
- Recognize the social and ethical errands of a professional working in the discipline.

MISSION

The Mission of the Department is to impart computer education to the students in the rural area of Madurai district, so that they become enlightened and intelligent, and to improve the standards of their life, as well as to produce graduates who excel in research and service. We also aim to inculcate the attitudes and values that will motivate them towards the continuous process of learning and leadership. We strive to educate ground-breaking skills and technology for the benefit of learners through incessant up-gradation of curriculum.

NAAC CYCLE IV – SELF STUDY REPORT

B.Sc. INFORMATION TECHNOLOGY

DEPARTMENT PROFILE

The Department of Information Technology was established in the year 2000 with B.Sc., Information Technology Programme. Since then, the Department has been functioning successfully producing young Computer Science graduates every year, with well trained and experienced faculty members and supporting staff. So far, the Department has produced more than 750 (17 batches) Information Technology graduates and they are all well placed in India & abroad. The Department has been producing excellent results over a period of 16 years. The Department has adequate infrastructure with a well equipped Computer Laboratory, a well stacked Department Library, well furnished class rooms, a separate room for power point presentation with a LCD Projector.

VISION

- Apply a broad understanding of the fundamental theories, concepts, and Technology domain in their career.
- Enable to have sound knowledge of the theory behind the core subjects
- To attain an ability to use current techniques, skills, and tools necessary for computing practice.
- To communicate effectively, both orally and in writing and engaged in collaborative teamwork.
- To expose the current trends in computing which will enable them to become leaders in the IT field.

MISSION

The Mission of the Department is to facilitate quality education in information technology domain to achieve higher goals in technical area for professional development. We also aim to inculcate the attitudes and values that will motivate them towards the continuous process of learning and leadership. We strive to educate ground-breaking skills and technology for the benefit of learners through incessant upgradation of curriculum.

NAAC CYCLE IV – SELF STUDY REPORT

MASTER OF BUSINESS ADMINISTRATION (M.B.A)

DEPARTMENT PROFILE

The Department of Business administration (DOBA) has been successfully offering the MBA Programme from 1972 onwards, to underline its presence and to help build the nation in its march towards Economic resurgence; Department of Management Studies (DOMS) started the MBA programme in 1994 with the approval of AICTE. DOMS has adopted time honoured as well as innovative methods to metamorphose the student material to an effective managerial material in a short span of two years. In addition to the normal curriculum, specific and appropriate personality development courses and counseling are done to enable us to achieve the above objective.

The Department provides sound infrastructure with eminent and well experienced faculty. Almost all members of the faculty have industrial experience spanning to decades. The rich background enables them to illustrate each theory and principle taught through examples of practical experience which is of paramount practical value for the students. In addition to the above, to update the students with the current industrial scenario, the Department of Management Studies also brings a number of personalities from the industry as visiting lecturers.

VISION

To Become a Leading Business School.

MISSION

To help the students to develop the competences, to hold higher positions in the leading organizations or start new business or to expand an existing business.

NAAC CYCLE IV – SELF STUDY REPORT

MASTER OF COMPUTER APPLICATIONS (M.C.A)

DEPARTMENT PROFILE

The Department of Master of Computer Applications was established in 1998 with the approval of AICTE, New Delhi. This Programme is offered with an intake of 60 students. Currently the strength of teaching faculty is 8 and that of non-teaching staff is 4. The teacher - student ratio is 1:20. The Department is equipped with all the required infrastructure, laboratories, class rooms, departmental library. The Department wishes to achieve the mission of developing and nourishing Computer Applications course through well-trained, committed and experienced faculty members. Faculty members of the Department are involved in research activities in different fields such as Bioinformatics, Image Processing, Pattern Recognition, Data Mining, Wireless Networks and Big Data Analytics.

VISION

The Department shall create professionally competent and socially responsible MCA students capable of working in global environment and to act as one of the Best college of Computer Applications recognized at the National and International levels.

MISSION

- Enforce best practices in teaching-learning, with dedicated faculty and supportive infrastructure to impart the knowledge in emerging technologies to create professionally competent computer professionals.
- Improve Industry-Institute relationship for mutual benefit to create professionally competent computer professionals.
- Inculcate ethical values, communication and entrepreneurial skills to create professionally competent and socially responsible computer professionals.
- Sensitize social, legal, environmental and cultural diversity issues through professional training and balanced curriculum to create computer professionals capable of working in global environment.
