Sourashtra College (Autonomous)
Madurai – 625 004
Tamil Nadu
India30th & 31st January 2020**Host Institution:**

Sourashtra College was started by the Sourashtra College Council with donations from philanthropists. The College was accommodated from 1907 to 1972 in a portion of the Sourashtra High School premises on Kamarajar Road, Madurai. Inspired by a "Strong Benevolence of Soul" the members of the Sourashtra College Council raised the magnificent buildings of the College on the slope of Pusumalai Hill in 1972.

The College has been functioning in this campus since 1972, and provides an excellent atmosphere conducive to calm pursuit of knowledge and development of strong character. The College is a Linguistic Minority Co-educational Institution, managed by the Sourashtra College Council, Madurai. The managing committee consists of 9 members including the office bearers, the University Nominee and the Principal.

The college got *Autonomy* status during May 2011 and got *reaccredited* with *D+* by NAAC (III cycle) during March 2019.

About the Department:

Truly keeping in mind, the needs of the times the Sourashtra College Council introduced Biochemistry at Undergraduate level followed by other job-oriented courses in the succeeding years.

The B.Sc Biochemistry programme was started in the Year 1993 with Chemistry and Biology as Ancillary subjects and has produced a number of undergraduates who are well placed in various fields. So far, 26 batches of students have successfully finished their graduation.

The Department of Biochemistry has conducted Post-graduation programme in Biochemistry from 1996-2005 and Post-graduation programme in Biotechnology from 2005-2017. The department has produced a number of postgraduates who are well placed in various fields.

Another arm 9 been added to the Department in the form of a UGC sponsored course in Biotechnology, in the year 2004. The UGC sponsored courses were conducted from 2004-2017. The Department has undertaken various project works in various aspects of Biochemistry and Biotechnology. The Department has been sponsored with many projects by several funding agencies. The Department has well established Laboratories and infrastructure having UV-Vis Spectrophotometer, Lyophilizer, Thermal Cycler (for PCR), separate Laminar Air flow chambers for Microbiology, Plant Tissue Culture and Animal Cell culture labs, Fermenter, Walk in Cold Room (4°C), Deep Freezers, Electrophoresis systems, Blotting systems and Bioinformatics lab.

About the Workshop:

This Workshop is organized to provide a training programme in Advanced Techniques in Biotechnology for the benefit of UG students. The Management, Principal and the Department of Biochemistry are pleased to invite the UG students for this Workshop.

Guest Lecture on

“RESEARCH ACTIVITIES IN DIGITAL IMAGE PROCESSING”

Date: 05/05/2022 (10.30 AM)

Venue: MCA Lab

Speaker: Dr.R.Viswanathan

Report: Guest Lecture on Research Activities in Digital Image Processing

Introduction:

On 05-05-2022, our department organized an insightful guest lecture on the topic of "Research Activities in Digital Image Processing." This lecture was a pivotal component of our Research Methodology and Intellectual Property Rights (IPR) program. Its primary aim was to inspire and motivate students to actively engage in research endeavors, particularly in the realm of Digital Image Processing. This report provides a comprehensive overview of the event, its objectives, content, and potential impact on our students.

Event Details:

- Date: 05-05-2022
- Duration: 10.30 AM
- Venue: MCA Smart Lab
- Audience: MCA Students

Objectives of the Guest Lecture:

1. Cultivating Research Interest: The guest lecture sought to cultivate a deep-seated interest in research activities among students.
2. Enhancing Research Skills: It aimed to equip students with valuable insights and skills related to Digital Image Processing research.
3. Preparation for Minor Projects: By attending the lecture, students were better prepared to select and excel in their minor research projects in the upcoming semester.

Guest Speaker:

We had the honor of hosting a distinguished guest speaker, R. Viswanathan, who is a prominent authority in the field of Digital Image Processing research. He has a wealth of experience and expertise in this domain, making him the perfect choice to share knowledge and inspire our students.

Lecture Content:

The guest lecture encompassed a wide array of topics, including but not limited to:

- Introduction to Digital Image Processing: Basics, concepts, and applications in various domains.
- Current Research Trends: An overview of the latest research trends, innovations, and breakthroughs in the field.
- Practical Insights: Guidance on how to initiate and conduct research projects in Digital Image Processing.
- Importance of Intellectual Property Rights: An exploration of the significance of IPR in the context of research and innovation.

Interactive Session:

The lecture featured an interactive segment where students actively participated by asking questions, seeking clarification, and engaging in discussions with the guest speaker. This interactive exchange facilitated a deeper understanding of the subject matter and encouraged critical thinking.

Outcomes:

The guest lecture on Research Activities in Digital Image Processing yielded several notable outcomes:

- Heightened Interest: Students developed a heightened interest in the field of Digital Image Processing research.
- Motivation: The lecture served as a motivational catalyst, inspiring students to actively participate in research endeavors.
- Informed Decision-Making: Students gained insights that would enable them to make informed choices regarding their minor research projects.
- Networking Opportunity: The event provided a platform for students to connect with a renowned expert in the field, fostering valuable networking opportunities.

Conclusion:

The guest lecture was a resounding success and a pivotal addition to our department's academic calendar. It played a pivotal role in igniting the flames of research enthusiasm among our student community, particularly in the domain of Digital Image Processing. Moving forward, we are committed to organizing similar initiatives that nurture a culture of research excellence within our department, equipping students with the knowledge and skills required for successful academic and professional journeys.
